

## Author and Life Skills Coach

### Dear Technology Managers

- Do you know what IT assets you have in your organization?
- Do you know where they are and who is using them?
- Are you maintaining all IT assets as per their invoiced condition?
- Do Technology and Finance-Audit departments have frequent battles over management of expensive assets?
- Do you have excess items and know what it's costing to maintain them?
- Do you want to optimize assets and save costs?
- Do you want to establish a professional department to manage the complete lifecycle of IT Assets starting from requisition to disposal?

---

You don't have to do this journey on your own. Just hire me as your IT Asset Coach and simplify your Asset Management.
